Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Friday 23 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Hot and sunny for the west, cloudier start in east.

Today:
Low cloud in the east burns back to the coast to give another hot sunny day. A few heavy thundery showers may break out in the afternoon, most likely across Lochaber, but these isolated with most seeing a dry day. Maximum temperature 28 deg C (82 deg F).

Tonight:
A warm sunny evening then clear skies and feeling very mild or even warm in the west overnight. Low cloud will once again spread inland across eastern parts. Minimum temperature 11 deg C (52 deg F).

Saturday:
Low cloud in the east burns back to the coast in the morning, giving another warm dry and sunny day. However, low cloud persisting along the eastern Caithness coast. Maximum temperature 26 deg C (79 deg F).

Outlook for Sunday to Tuesday:
Mostly dry warm and sunny Sunday, but low cloud spreading over the Western Isles. Cloudier on Monday, especially in the north, with thundery showers for the south. Rain on Tuesday.
